Meet the speaker...

Colleen Kelly

Colleen Kelly first started her career in exercise physiology. Now, some 30 yrs later, is one of the world's most sought-after speakers on seat, posture & balance of the rider.

Her world lecture circuit includes Official Equestrian Federations, Universities & the world's largest conferences such as World Expo, Equitana & Equine Affaire.

Her famous 100% result in the Official Dressage Judge's Exam brought her to speak at Universities & Grand Prix Judge's Clinics & Exams world-wide.

Working with 2 World Champions, Olympic & Paralympic Medalists, Colleen still treasures her 4 separate awards for her work with Riding for Disabled.

One the few presenters to speak at the 2010 World Equestrian Games Festival

Colleen is one of only three Level 3 Registered Biomechanics Coaches World-Wide... but it's still her famous "Aussie Sense of Humor" that brings the crowds from around the world!
